Town and County Matters.

The Gas Company.

The following letter from the President has been handed us for publication by a representative of the company, and explains itself. There is no doubt in our mind as to the good faith of the company, and we hope our citizens will not be backward in having their buildings fitted for the reception of gas. The general fear of a dry season are now dispelled, and this great improvement will go to a rapid completion. The company is going ahead in earnest and as rapidly as possible, and Messrs. Brown & Doughty (Washington, Hall), who are recognized by the company, are putting in pipes and fixtures for all who desire:

OFFICE OF THE PACIFIC RAILROAD CO.,
SAN FRANCISCO, Jan. 18, 1871.

To the Citizens of Woodland—Good Friends: The company I represent do most fully propose to fight your town with gas. To this end we have purchased a lot for our works, and have submitted to one of your well-known citizens, Mr. L. E. Craft, our specifications for a holder cistern, requesting from him a bid therefor. We have shipped the street mains, and they are now in your city. We are ordering all our machinery as rapidly as our engineer can complete his plans. What more can we do to show our good faith? We authorized Messrs. Brown & Doughty to go ahead and make contracts with you for piping your buildings, and we have full confidence in their work being well done. We shall accept their work. We expect to commence brick work and tank work at once, and are only waiting Mr. Craft's bid. Messrs. Gray & Wood and Mr. Hyman know the writer and can judge whether my assurance can be relied on. We beg you to give Messrs. Brown & Doughty your work. We shall be ready to light you up, we think, before you will be ready to be lighted up. We make these statements because we hear some fears are entertained concerning the matter we allude to. Very respectfully, J. V. STOW,
President P. P. Co.

The following are the endorsers of the above letter:

M. FURNISS, Capital Hotel.
GRAY & WOOD, Hardware Store.
M. HYMAN, Dry Goods Merchant.
The contract for the brick work has been let to Mr. Craft, and is to be completed by the 22d of February.

RAIN.—The long hoped for rain came on Monday last and continued all the afternoon and most of the night, with showers on Tuesday. It was very much needed indeed, as stock was suffering for feed, and many feared the wheat in the ground would rot. Every body rejoices at the improved prospect. The rain has been succeeded by very cold weather, which is not very favorable, but we trust it will soon be succeeded by a moderation of the atmosphere and more rain.

THE YOLO DEMOCRAT.

H. T. HELMBOLD'S GENUINE PREPARATIONS.

THE CASTAWAY.
BY NELLIE MARSHALL.
Not one to pity, but hundreds to blame—
Hundreds to cheer but not one to save—
And beguile her to the shore that she'll find in the grave—
Not one to aid her, though offers run over
With silver and gold—what is it to them?
But many will welcome her criminal lover,
Who dashes his victims with jewel and gem.

"HIGHLY CONCENTRATED" COMPOUND
FLUID EXTRACT BUCHU.
A positive and Specific Remedy for diseases of the
Bladder, Kidneys, Gravel and Prostatic Swellings.
This medicine increases the powers of digestion, and enables the absorbents into health, by which the matter of calcareous deposits, and all unnatural engorgements are reduced, as well as pain and inflammation, and is good for men, women and children.

H. T. HELMBOLD'S EXTRACT BUCHU.
For weakness arising from Excesses, Habits of Dissipation, Early Indiscretion, attended with the following symptoms:
Indisposition to Exercise, Loss of Power, Loss of Memory, Impurity of Breathing, Weak Urine, Trembling, Stiffness of Limbs, Wakefulness, Dimness of Vision, Pain in the Back, Hot Hands, Flushing of the Face, Dryness of the Skin, Irritation of the Urinary Tract, General Lassitude, Faint Countenance, Muscular System.

INSANITY AND CONSUMPTION?
Many are aware of the cause of their suffering, but none will confess. The records of the insane asylums and the medical history of consumption bear ample witness to the truth of the statement.
The Constitution once affected by organic disease, requires the aid of medicine to strengthen and invigorate the system, which H. T. HELMBOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

DECLINE OR CHANGE OF LIFE.
In many affections peculiar to Females, the EXTRACT BUCHU is unequalled by any other remedy, and for all complaints incident to the sex, or in the
No Family should be without it.
